The tariff is available for customer review in the Business Office, as requested. Rates, applications and certain terms of service are also available on the Company's website.

Service quality standards are established by the state commission and the Company consistently meets or exceeds the standards and provides reports to the state commission, in accordance with the state commission's rules.

The network is capable of managing traffic spikes resulting from emergency situations.

The Company is able to reroute traffic around damaged facilities. **LINE 1210 – TERMS & CONDITIONS OF VOICE TELEPHONY LIFELINE PLANS**

Lipan Telephone Company (the Company) offers Lifeline subscribers federal and state Lifeline discounts to a stand-alone residential local exchange access line rate. Lifeline customers may subscribe to other packages and custom calling features at the standard rates offered to all customers. The Lifeline discounts will apply to the portion of the package that is a stand-alone basic local exchange access service rate. The attached pages from the Company's Local Exchange Tariff include the terms and conditions for Lifeline and the rates for local exchange service.

**VII. LIFELINE PROGRAM**

The Lifeline Program is a retail local service offering designed to make telephone service available at reduced rates to qualifying low-income customers.

**A. General**

1. A qualifying low-income customer subscribing to the Lifeline Program shall receive federal and state reductions to their monthly tariffed residential local exchange access line rate. In a two-line package, only one line will receive the Lifeline reductions.
2. Nothing in this section shall prohibit a customer who is otherwise eligible for the Lifeline Program from obtaining and using telecommunications equipment and services designed to aid such customer in utilizing qualifying telecommunications services.
3. Lifeline Program reductions do not apply to surcharges, taxes, long distance service, 976 and other information related telecommunications services, and optional services such as custom calling features. Customers may obtain these services, where available, at their discretion.
4. The Lifeline Program rate reductions do not apply to service connection charges.
